

<b>DECLARATION OF CONFIDENTIALITY</b>
---------------------------------------

I, the undersigned, \_\_\_\_\_,  
hereby declare that:

***If I am engaged as an official, a member of the temporary staff or contract staff:***

I have acquainted myself with my obligations with regard to circumspection and discretion, which requires me to refrain from any action or behaviour – such as posting information and photographs on social networks – which might reflect adversely upon my position as a member of the EP staff (Article 12 of the Staff Regulations) and, whilst enjoying freedom of expression, to refrain from any unauthorised disclosure of information received in the course of my duties, unless that information has already been made public or is accessible to the public, and that I shall continue to be bound by this obligation after leaving the service (Article 17 of the Staff Regulations).

***If I am engaged as an accredited parliamentary assistant:***

I hereby declare that, in addition to the obligations above, I am aware that I shall also respect the Member(s) of the European Parliament's image and the dignity of his/their office, as well as to loyally carry out instructions given by him/them.

***For all members of staff:***

I declare also that I have been informed that infringements to these obligations are likely to result in disciplinary measures, which could lead to a termination of contract (members of the temporary staff or contract staff and accredited parliamentary assistants) or termination of assignment (officials).
