

POLICY ASSISTANT

INTERNSHIP

The GUE/NGL is a left-wing political group in the European Parliament fighting for economic equality, climate action, feminism, peace & human rights. We are looking for two stagiaires to **join our policy teams from February to July 2020**.

Our group is made up of 41 MEPs from across Europe representing over 10 million voters. The successful candidates will be assigned to one of our committee teams to support our MEPs' legislative work and to link with activists and organisations outside parliament.

POSITION

Stage/internship

ALLOWANCES

€1400 per month in addition to arrival and departure travel costs with complementary insurance.

LOCATION

European Parliament, Brussels with the possibility of a familiarisation trip to Strasbourg during a plenary week.

November 2019

TASKS

- Generally assist the overall work of the committee team.
- Develop a broad understanding of the work of the GUE/NGL group by working with a diverse range of MEP offices, following key meetings, and liaising with policy advisers and committee staff.
- Learn key skills from Group staff and take advantage of opportunities for training.

PROFILE

- Political affinity with the values of the group.
- Good English and intermediate level in one of: French, German or Spanish. Other languages will be taken into account.
- Interested in policy research and having policy proposals translated into legislation and public campaigns.
- The GUE/NGL group values diversity in all its forms and is an equal opportunities employer.

Previous stagiaires with the Group are not eligible.

PROCEDURE

Applications, comprising a 1-page motivation letter and a maximum 2-page CV, should be submitted by email to guengl.applications@europarl.europa.eu by **Tuesday 03 December at 12.00 noon**. CVs should clearly include exact start and end dates of any relevant work and educational experience (see the GUE/NGL CV at www.guengl.eu/vacancies for the level of detail preferred).

Successful candidates will be notified by Thursday 12 December and additional practical information will be provided to those selected.

For further details of the Group's stagiaire programme, see [here](#).
